“ Barb, Although I have never met you, I did know Jim----through my husband who grew up with Jim in Cadillac. My husband, Richard Faber, passed in 1988. Jim stood up in our wedding in 1970. Although I did not know Jim very well, I remember the numerous times we stopped in Buckley when he lived there.

I received a note from another friend of Jim's who live in Mesick and they informed me of Jim's passing. You are in my thoughts and prayers. Mrs. Richard (Ann) Faber

“ Dear Barb,
We are so sorry to hear that Jim has passed away. We know that the last few years were hard for him - and for you. We both think back fondly over memories with and of Jim. He was a gentle soul, and we shared the interest in motor vehicles - to some degree trucks, but more, Corvettes. He certainly saw the nation from the seat of his 18-wheeler. He was a hard worker; even when his health was failing, he continued the teaching gig.

Our deepest sympathies. Requiescat in Pace, Jim.
