

Jerome Gunther Schwartz

February 4, 1932 - January 7, 2022

Jerome Gunther Schwartz of Tustin, Michigan fell asleep in Jesus January 7, 2022. Jerry would have turned 90 years old February 4, 2022.

As a child he was raised by his grandmother in Germany, where he experienced the horrors of World War II first hand; including limited food, no shoes and bombing attacks. He was sent to live with a host family on a farm for a period of time in order to escape the regular bombings occurring in his home city of Bremerhaven. During this country respite he learned to appreciate rural living which continued throughout his life with a love of horses and gardening. Jerry has shared many stories of his childhood under these difficult times and when talking with him people were always amazed at his resilience and optimism.

After the war he returned to New York City and due to anti German sentiments took the first name Jerome instead of his childhood name of Gunther. He spent time with his family in their small Manhattan apartment or in the family's Catskill Mountains cabin during the summers. He always had a strong work ethic and from his teenage years worked hard. A woman who lived in his apartment building was instrumental in changing his life. She was a Godly woman who wanted to help this immigrant family and would bring him clothing and other needed necessities. Upon finishing high school, she suggested that he attend Atlantic Union College (AUC), a Seventh day Adventist institution. It was at AUC that he was able to pursue a degree in teaching which had been his heart's desire since a child. Here he made several lifelong friends and most importantly he became a believer in Jesus Christ. His faith became the core of his life and he was a faithful believer in Jesus until the time of his death.

During college he was drafted into the Korean War and served as an army medic. He was very proud of this service and frequently stated that, "there is no country more wonderful than the United States." He felt there was nowhere else that someone like he, from a poor immigrant family, could have such freedom- to worship, and to pursue any chosen career path thus making a life of their choosing.

Jerry met the love of his life, Linda, while pursuing a master's degree in education at Andrews University in southern Michigan. His career journey was from teacher to principal and then superintendent. He was Superintendent of Marion Public Schools for 31 years. When he retired in May of 2004 at the age of 72, he was one of the longest serving Public School superintendents to remain in one district in Michigan history. He felt this was a great honor. He loved the community of Marion, Marion Public Schools, his staff and students.

He was a member of the Marion Seventh Day Adventist church and then after retirement joined the Cadillac Seventh Day Adventist church where several of his children attend. He volunteered for several nonprofit organizations including a mission to Mexico and Strong Tower Radio based in Cadillac. In retirement he enjoyed volunteering to drive patients all over the state for medical care.

His greatest joy came from his family. He looked forward to family get togethers especially Christmas time with his family.

He is survived by his wife Linda; four children: Drs. Brian (Lyndi) Schwartz of Ohio, Heidi Schwartz of Wisconsin, Dr. Gunther (Kristi) Schwartz of Tustin and Drs. Cara (Ovidiu) Brinzeiu of Tustin. In addition, he has nine grandchildren and two great-grandchildren. His family looks forward to the resurrection when the dead in Christ will rise and be caught up to rejoin their loved ones and meet their savior Jesus Christ. It is our belief that Jesus is soon to return and we will not be long parted.

Funeral services will be held 3:00 PM, Sunday, January 16, 2022 at Peterson funeral and Cremation Services in Cadillac. Visitation begins one hour prior to the service at the funeral home. Burial will be at Sherman Township Cemetery in Osceola County, Monday at 11:00 AM.

Memorial contributions may be made to Strong Tower Radio. An online guestbook is available at www.petersonfh.com.

“ Condolences to Mr. Schwartz's family, he was our Principal at Kingston High School, oh so many yrs. ago. He was pretty strict, but, I really liked him, and he was a good leader. I learned a lot from him, and we had many conversations over the time he was there, as I seemed to spend a lot of time in his office. I have thought of him often over the yrs. always with a smile. He was a good man. Nancy Chappel Nelson, class of 1970

“ Beauty lies in the life that one has lived, such as the life of Mr. Schwartz, but a greater beauty is the hope we have in God's promises. So with hearts filled with sadness may we remember Mr. Schwartz as that smiling light, that glimmer of encouragement, that shining example of caring that touched the lives of so many and was much appreciated by all. He will long be remembered, not only by family and friends but also by God who extends His wonderful promises to all. John 5:28,29; Psalm 37:11, 29 My sincere condolences to his wife and loved ones.

“ Jerry was not only our school superintendent, but also our neighbor and our family's friend. He always had a good word for whoever he would see in the neighborhood. He shared our love for horses, and for the beauty in the Tustin area. He said more than once to me, " We live in God's country" . He will be truly missed by all of us. God bless his family.

“ This man was superintendent at Marion Public Schools throughout my years as a student at Marion Elementary and Marion Highschool. I didn't have a lot of interaction with him and I guess that's because I was never in trouble at school beyond minor infractions that the teacher alone could handle.

I remember thinking he was so tall. He always had a smile and seemed genuinely happy. I remember his accent being different than from what was familiar to me.

My condolences to Mr. Schwartz's wife and children and their families. For each of you this is a temporary absence of this man you loved. Thank God for Heaven and the fact that this rotten world is not all there is to life.

Mr. Schwartz certainly experienced much in his life while he was here. I never knew these things about him. I'm glad but not surprised that he was a Christian. There was something about him that was different, an inner joy. Now I know the source of that joy.

Condolences and prayers for comfort at this time.
