“ We wish to convey our deepest condolences & sympathy to the entire Tuttle family. We've had the honor of knowing Allen & Kathy for many, many years and considered them to be our very good friends and great neighbors " Up North" . Allen was always there for you when you needed that extra hand or a tool to be borrowed or even a major job with his trusty Kabota tractor. He was always ready to help in any way he could. It was a privilege to have known him as we shared many a story together (sometimes with a cold Pabst in hand) and always something to laugh about, whether it be about hunting, catching rookies or even the good old Detroit Tigers. The fond memories will last forever. Our prayers go out to Eric, Brigitte & their respected families.and to Kathy...our hearts pour out to you.

“ I grew up in Cadillac. Then years later, when Al came to work for us at ALSI (Air and Liquid Systems) I was pleased to get to know Al and his wife. I sat with them at a Christmas party one year. We talked about all the wonderful things life brought us. Al said he knew my father who was a Deputy Sheriff for Wexford County (he passed away 8 years ago). It seemed like a beautiful piece of home talking to Al. I am heart broken to hear of his passing. I wish his family my blessings.
