“ She was one of those community minded Mom's that you never forget. Amy was always offering to help in any way she could with the T ball team her daughter was a part of. And for years after T ball I saw her continuing to help out around the baseball park in Van Buren Twp. And school events and on and on. I can't imagine all the young people she influenced along the way. Thank you Amy for all you did for so many.

*Most sincerely,
