“ *I didn't know Barb well, only through bowling but she made a lasting impression. She will be greatly missed by her fellow coaches and me. What stands out most is her spirit of cooperation and the way she wholeheartedly advocated for her girls. One of the ways I often reflect on a coach's impact is through the character of their team. Her girls consistently showed kindness, positivity and true sportsmanship whether they won or lost. My girls always looked forward to our matches. Barb's legacy will live on in the Great Northwest High School Bowling Conference. She will not be forgotten.*

“ *Rest in peace big sister. You were my childhood hero, who seemed to have no fear of anything and who always came back to pull me from a snowbank or fight off anyone who messed with me. You are deeply missed, already. Praying for your children and grandchildren to find comfort during this time of grief.*

“ *Barb was always a favorite bus driver for sporting events and her daily route. She genuinely cared about all her riders. If she noticed a student was down, she wouldn't hesitate to call the school for someone to check on him/her. Barb had my number on speed dial.*

Her granddaughters were the apple of her eye. She was so proud of them. I know this is a HUGE loss for them.

Jennifer and Andy. Both your parents are together now, and there are two voids in your lives. May you find comfort in your memories. She did so much good in her lifetime!!!
