“ I was Beth's supervisor way back in the days of Northwestern Bank. She was such a great CSR. Always accountable, personable and genuinely a sweet person. Glad I was blessed to know such a great lady.

“ Beth and I immediately hit it off as we both go by the first name of Beth. We would joke with each other about that. She was a joy to work with and to have as a Club Member at Sunset shores Resort but most importantly as a good friend. She will be sadly missed. My heart and prayers go out to the family.
