“ *I remember Betty as such a kind and caring person. I cannot  
remember how we met, whether through our township or the  
Rubbermaid Party Plan. Whatever, we became fast friends. Might  
have been as she bought a cemetery marker from us. She was a  
sweet and special lady. Please let us know if we should proceed  
with the final date for her marker. I am so sorry for your loss. May  
peace and blessings be yours.*

“ *We met Betty by Gods grace when she fell off her porch and was  
injured badly. She could not be seen from the road, but my husband  
somehow seen her. In the little time we had talking to her waiting for  
the ambulance, we found a great woman. While we are sorry for  
your loss, she is a winner. Condolences to your family.*
