“ My memory of Aunt Mickey was always what a kind and gentle soul she was. You boys probably saw a different side of her but that is understandable when you are trying to raise two boys. I still have recipes in her original hand writing in my recipe box and have some of her beautiful pillowcases she embroidered for special occasions. I'm glad she has finally been reunited with your dad as I'm sure she missed him over the years. We are not able to attend her service as we will be camping out of the area but our hearts will be with you as you say your final good bye's to your mom.
God Bless you all, Dan & Laurie
