“ Our beautiful niece Brittney. Who is loved by everyone you met in your short life of 32 years. And for being one of the greatest listeners that anyone could ever have. If you could have been able to talk"Just think of all the secrets that you know about everyone. When we go to Grandma's house I will always feel a void, but I know you're with Grandpa Trowbridge in HEAVEN. Love, Barry, Sally Ann, Brian, Robert & Marty Trowbridge-Junites
