“ Sue and family,

So sorry for your loss. My mom is Yvonne Peterson and she lived at Autumnwood and became friends with Carol. My husband and I also were able to get to know her. She always had a smile and really enjoyed when we would visit. We especially enjoyed her passion for making bead bracelets! Our thoughts and prayers are with you and your family.

“ Carol was a kind and gentle soul. She loved everyone. She enjoyed the simple things. Listening to Bobby Vinton or Englebert Humperdinck and playing Skippo. I feel blessed to have known her.
