“ I realize this is an article from pushing ten years ago but I thought it would be nice for the family to know that a student from Lincoln Elementary whom Mrs. Ault basically babysat for during recess on the playground that her last wishes were for, not only remembers, very fondly remembers Mrs. Ault. A very trying student at that. She had a way about her that was good for children, the school and the community as a whole. The world needs more Mrs. Aults and I'm sorry for your loss.
