

## Cathleen Mary (Kuczborski) Clemens

January 8, 1958 - December 2, 2023

Cathleen Mary (Kuczborski) Clemens of Buckley passed unexpectedly in her home. Cathie was born in Detroit and a 1976 graduate of Westland John Glenn HS. She was married to Jeffrey Clemens (divorced in 2003) with whom she raised her two daughters Agatha Gasperoni (Nick) and Audrey Nelson in Livonia, MI. After retiring from AT&T, she followed her dream of moving “up north” and bought a place in Buckley. She loved Michigan football and the Michigan Marching Band, gardening, the color purple, deer camp, and most of all, her beloved grandchildren, Owen and Adelaide. She was especially proud of her Polish heritage and was a lifelong Democrat. She is predeceased by her mother Jackie and is survived by her daughters and grandchildren, her father Dominic, her brothers Mark and Edward, and dozens of friends and family who are devastated by her sudden loss.

Memorial services will be held 11:00 AM Saturday, December 9, 2023 at Peterson Funeral & Cremation Services in Cadillac with Reverend Fr. Michael Janowski officiating. In lieu of flowers, please make a donation to her favorite church, historic Polish St. Hyacinth’s Catholic Church in Detroit. An online guestbook is available at [www.petersonfh.com](http://www.petersonfh.com).

“ It's so hard to believe you are gone Cathie. Wasn't it just a few short weeks ago we were talking and laughing together at deer camp? I will never forget your gentle spirit and your generous heart. Thank you for the kindness you showed my parents. They loved when you visited them and brought, to share, the bounties of your garden. Thank you for sharing some of your beautiful perineal's with me, I will always think of you when the irises are in bloom. Rest easy my friend 💜💜💜💜

“ When I was married to Audrey, whenever Cathy would come to visit she would remove her luggage from the car. She'd bring it to the door step but not bring it inside. She'd bs for a bit then ask me to go out get it and carry it up to her room for her. Frustrated me at the time but I look back and laugh now. Lots of good memories, the small things are what I remember most.
