“ Mom, I miss you dearly already. You were always so willing to go with the flow no matter what our crazy schedules looked like. Thank you for teaching me how to cook yummy meals, how to bake sweets, and how to plant flowers. You were the best nana and loved your grandchildren with a deep deep kinda love. You sacrificed so much to always make sure we had everything we needed and we always appreciated you. Your memories will last forever in our minds. Until we meet again, rest in peace. I love you!
