“ Chris always told everyone he was my "favorite," even as an adult. That started when he was a 10th grader in my English Class. He was so kind to a first year teacher.

As he got older, I got an opportunity to be part of his daughters' lives as their school counselor and coach. They both have the best of both their parents' influence in their lives. Chris was so proud of them!!

I appreciated Chris and all his goodness. I know memories of Chris will bring a smile to all of us.

My condolences to all of you.
