“ Rich, Traci, Angie and family, please accept my deepest sympathy in the passing of Claudia. While working with the majority of you at Shell during its first 7 years, it felt like we were a family. We shared many great times together and looking back I can hardly believe it's been almost 40 years since our paths first crossed. Through the years we have all endured many challenges but losing your wife, mother and grand mother is one of the toughest I've had to deal with myself. May God give each of you the strength, wisdom and peace that YOU need during this time.

“ *My deepest sympathy to Rich, Traci, Angie and all the family on the loss of this precious soul. She will always be remembered as a kind and loving person. I never once heard her complain through all she went through. That sweet smile must have shown brightly as she walked into the arms of Jesus. I miss her already. All will miss her.*
