“ *I have many memories with Connie, from our days of working together at Wexford Community Credit Union, to our get togethers at Herraduras. She and I loved our Margaritas and the laughter shared by all of us who have a bond that has kept us together all these years. Connie had a heart of gold and a love for her family and all the people she came in contact with. My heart is breaking for her family as they come to terms with their grief. I pray for healing for them and for all of us with broken hearts. I know we will see each other again one day so until then, rest in Peace my friend. Love and friendship forever! Dort Tribley*
