“ *I knew Dan through his late father Orson...my name is Angie Weidner and I lived behind Orson when he lived on North Street in Cadillac roughly from 1995-2000 . I always thought Dan was so nice and friendly as we're all of you Babcock boys, especially Kenny! I'm so sorry to hear of your sad news and I'd like to send my condolences to your family ! My thoughts and prayers will be with your family during this time...*
