

Deanna "Dee" (Feltman) Carlson

December 8, 1938 - October 12, 2023

Deanna "Dee" (Feltman) Carlson fell asleep on, October 12, 2023 in pain, with worry and frail but woke up a moment later in the loving presence of her husband, Al and her dear children: Pamela Jo, Barbie, Bobbie and Brian and in youthful vigor, fortitude and infinite joy.

Dee lived her life in service, love and care for family and everyone she met. She could, and did, befriend - and usually feed anyone she met.

Dee leaves behind sons, Peter Carlson and John Carlson; grandchildren: Brittany, Travis and Joshua; three great-grandchildren; her siblings: Delores (Dick) Wood, Barb (Ed) Patterson, Norma (Richard) Tubis, Carol Feltman and Bob Feltman and two dear friends, Becky and Gary (who preceded her to Heaven earlier this year.)

Goodbye for now Ma, we know you're well, happy and probably cooking something, and we'll all be home for dinner in a while. We've always loved you dearly and always will.

Per Ma's wishes cremation has taken place and no services will be held at this time.

An online guestbook is available at www.petersonfh.com.
