“ Deb,  
you are gone from us way too soon 💔.  
It's been too many years to count since we've seen one another but I can see you perfectly in my mind's eye, red sweater, button down shirt underneath, blue corduroy a-line skirt, you would have your hair on top of your head in a pony tail. Someone would call your name and u would turn around very slowly and give us a look like W%@+(&/K? You were so cute, the only one in our class shorter than me! You were kind, but acted a little tough, fun, weird sense of humor, practical joker, and called them like you saw them... pleeezzzzzzzzzz give my brother Scott a big hug for me. I miss him so much. I'll always remember you 🙏
