“ ”

Oh Dorothy, I will miss you so. Especially your phone calls about bowling, the animals eating all your plants, the weather, attending church every Sunday and having the coffee pot ready. There are so many good memories, too many to list. You were a good friend and always had a listening ear. You are now with your Lord and Savoir in Heaven."

“

I will be remembering Dorothy at South Community and her busy caring for everyone, preparing communion, and bringing in her beautiful flowers to share with others. I will also think of her as I go to Annual Conference. She loved to greet me there over the years and always reminded everyone that her son Leslie and I grew up together. My sympathies to all of you.
