“ *It's been many years since I've seen you, but I have never forgotten you, and your kind heart and warm smile. May God be with your family and they get some comfort in knowing they will see you again. Rest in peace. Margie Miller Mellinger*

“ *Heartfelt Sympathy to the family. Eileen will be dearly missed, she and my mother In law (Marie Staffin) were long time ceramic class friends. We spent so many wonderful evenings with Eileen as she taught us how to paint. Eileen, for some reason always thought so much of our daughter Stacey, always asking "How's Stacey doing" may she RIP.*
