Elliott Iverson, Crain, age 18 of Cadillac Michigan passed peacefully in his sleep on July 20, 2023 of a complication from an ongoing medical issue. Elliott was born on September 23, 2004 in Olathe, Kansas.

Elliott graduated from Cadillac High School this past June. He cared about others and was a loyal friend. He was a very bright young man and used his talents to the fullest. He accomplished many things in a short period of time. He will be missed deeply by his family and friends.

“ I was the younger brother of Holden/Harper Abigail light. My name is Silas Wiltfang. Most of you don't know me. I didn't know him very well, but the times we interacted, he was so fun and cool to be around. He's such a kind soul. I miss him a lot. I wish he was here still. I miss him every day. I hope he's doing well in whatever afterlife or reincarnation he's in. He was so sweet. I'm forever grateful that he died happily with my brother Holden. He felt like family. I will forever miss him. Fly high and rest in peace, I wish him the best wherever he is

“ I am Elliott and Bastien's great aunt. I loved taking care of them both when they were little living in Kansas. Elliott had challenges that he continued to fight through with a bright spirit. He was loved by many people!
