“ Gene, you taught me how to sail on Mach Schnell. Too bad I moved to the east coast before I had the chance to join you on the Port Huron to Mackinaw race. We had such great times hunting, camping and playing cards. Thanks for flying out to Boston and being the best man at my wedding. You were a great friend and always had my back. You will be missed. Our times together seem like a lifetime ago. I guess distance, career and raising a family took us apart. Getting together for the 2010 poker reunion was such great fun. Rest in peace my old friend.

“ Dear sister, I am so very sorry for your loss. Needless to say Gene was a wonderful man. I wish I could find the right words to express how much he has helped me through some of my darkest times. Of the 45+ years that I've known him, he never called me by my name, he always called me brother and that's what he was to me...a brother. He would always tell me, " some day, I want to find a good woman and move up north"...he did just that. I will miss you my brother and will cherish the memories of going to the boat races, having a cold beer after work, going out on the river on The Lady Blue and so much more. As Smokey Robinson sang..."I will miss you my brother...I will miss you my friend". My deepest to all of his family, loved ones & friends. My brother, you will be forever in my heart.

“ Gene Creed, sorry to hear you've left us (to the next world I pray). Our condolences to the family. Gene was a good and loyal friend in our young adult lifetimes. He was my deer hunting buddy for many years (70's and 80's), small game hunting, and camping, and many other outdoor activities. There's no telling how many poker games we played. From one of our poker games, I bought you a new camping tent (your winnings and my losses)! So many memories of good times with you, Jerry, and my brother Gene. You were such a part of our family for many years (the Harnings). I remember how you would be the only person outside the family our german sheperd Luke would let into the house (not even our Grandpa). Our last poker party reunion in 2010 was a blast. Again our condolences to all the family, he will be missed. We will be praying for him.

“ Gene and I both worked at Borg Warner. He was easy-going and game for anything. He impressed us all with his sailing skills, we had great times on Lake St. Clair.
Gene's friendship will always be remembered

“ Gene always shared a warm smile, never raised his voice. Will always remember when we "redecorated" his mancave.

“ Hey Mr. Creed as I would walk pass him in MTI. He would say Eugene, I'd smile and say okay. Right before he retired I said hey Eugene and we both laughed. Great memory with him.

“ Our hearts are heavy. You’ve been taken from us way to soon. You were one of the nicest people I’ve ever known. We all have had so much fun together through the years. Thank you for always making me and Carol feel so welcome in your home. Whenever we pulled up you would come right out and hug and kiss us. Dropping whatever you were doing. And putting up with our “sister silliness “. FOR DAYS!!! We will miss you so much!! Thank you for being a wonderful brother in-law. And thank you for making my sister so happy. Your loving sister in-law Diane ❤️❤️🙏
