“ Bucky and Alicia- I am so sorry you are having to endure this pain.

Evan'

s love that he showed, will live on forever. It doesn'

t heal our broken hearts, or answer the why questions, but he will be

with you at all times. Only the Lord and Evan know why he received

his wings so early. Thank you for giving me the chance to meet him,

if only for a little while. I love y'

all-

“ Alicia - I was on the BabyCenter board where you talked about the loss of Evan. I cannot tell you how incredibly heartbroken I am at the loss of your beautiful boy. Again, I know that words mean nothing and help nothing at a time like this, but I had to reach out to tell you that someone in Maryland-- a fellow mom who is grieving along with you-- is thinking of you, praying for your broken hearts, and sending you and beautiful Angel Evan my thoughts and love. I am so very, sincerely, deeply sorry for this enormous loss. You and Evan have touched my life deeply and I will always have you in my prayers.
