“ I am glad I got the chance to meet Francis. We were paired together through council on aging. I always looked forward to my visit with her.

She was such a wonderful lady with a beautiful soul. I also got the chance to see her create her beautiful jewelry. And I will treasure the pieces she made for me. She was always so excited to show me her new creations. Her smile so huge as she did. Rest in peace Fran. I bet you look beautiful with those wings.
