“ Gonna miss you cuz, big time !! Always had a smile and loved to make people laugh. Especially your phone calls to me after i got home late from playing music. You always put a big smile on my face when you called, especially when i was needing a good laugh. Too many good talks to mention, but i know where you are now and can talk anytime without dialing. Love you Man, and especially your beautiful family !!

“ *Our condolences to Mary and family. Gary will be truly missed, especially his phone calls with his humor and interesting stories he would tell about him, Mary, his parents and fun time's he had with Chuck. He was always caring, polite and talking for a hour everyday when he was feeling better. I'm sure you are chatting it up in heaven with my parents who lived down the alley from you. Mr. Mrs. Rossell, your parents and friends who have passed. You're free of pain and your able to walk the streets of gold. We will miss you and we love you Gary! Love ❤️*
