“ Tom and Cathy, I so enjoyed getting to know your mom while at Kirtland. She always had a smile, kind words and great hugs. Earth lost a wonderful lady but heaven gained an angel. Hugs to all.

“ Tom and family...I am deeply sorry for the passing of your mother and my cousin. I spent many wonderful summers with you in Cadillac as a teenager and your mother made it special. We had such funny and silly times together laughing and enjoying life. She had me haul water in the plastic jugs in the summer to the house and made a game of it laughing and giggling all the way with me. I will miss her greatly but know she is with God now. My prayers are with you and your family. 813-293-4099

“ Gen... One of the most influential people of my early life.. She was my caretaker when I was in elementary school (and before). I don't even know what to say except she's probably up there making applesauce with her hootenany and knutenvel (never did get the proper spellings of those!! lol) Rest in peace Gen. I will always remember you.

“ Tom,

I am so sorry to hear of the loss of your mother. I remember her fondly from visits during our high school days. She was so cheerful and welcoming. May memories of happy times together give you some comfort during this difficult time.
