“ I knew tom for several years as a great friend, I live in traverse and he lived in cadillac we worked together at birchwood nursing center for several years before we parted jobs but not friends. every six weeks he would come to traverse and we would spend the week end doing fun things together. we shared a trip out west to sturgis on our motorcycles and many other great rides. tom was a friend who would gladly help my wife or I any time he could. he was more than just a friend, and will truly be missed. i am sorry that it took so long to reply, but i have been going through several medical problems myself, and just have not had the time. tom will always be with us in thought and heart.

“ Deepest sympathies to Tom's family who were so dear to him. Lon and I were saddened to hear of his passing on Christmas Day. We considered Tom a friend and have many fun memories of your times together. I remember Tom's commitment to work and his patrons as being above and beyond the call of duty. To say Tom was a unique individual would not cover all the idiosyncrasies he possessed, he will be missed and remembered- rest in peace. Lon & Ruth Reddy

“ I had the pleasure of working with Tom for the better part of twenty years. Beneath his gruff exterior was a kind, gentle soul. I am grateful for the time spent with you.
You will be missed my friend.

“ My deepest sympathy goes out to the Tower's family. I new Tom from bowling and had some good times. Also, we went on a short motorcycle trip with the other postal worker (I'm drawing a blank on his name). Again, so sorry to hear of his passing.

“ So very sorry to hear of Tom's passing. I worked with him for many years and considered him a friend. To many he may have appeared to have a pretty tough exterior but to those of us who took the time to get to know him a bit found that just wasn't true. He was a good guy with a dry sense of humor who loved no bake cookies and the occasional Java's hot chocolate. Special thoughts to Rob. Having just lost my brother a year ago I know how difficult it can be. My condolences to the entire Towers family.
