“Glen was the best big brother for me. As kids, we played everything from marbles to capture the flag. He taught me to play baseball and patiently how to drive a stick shift. We hunted and we fished. As adults, we became the best of friends. Although he wasn't one to tell me he loved me, he showed me in a million other ways. He checked up on me, listened when I needed to talk over a cup of coffee, and gave me many warm and wonderful laughs. I will miss him everyday for the rest of my life. I love him and I will always have an empty space in my heart. I will forever be grateful for the time I had with him and look forward to seeing him again someday when hopefully he leads me home.

“I am so sorry to read of Glen's passing. I worked with him for many years at the Northwoods. He was a great guy as a co-worker and friend. May he rest in the arms of God and may Toni and his family find peace and comfort in their memories of Glen.

“ Dear Toni and family,

We want to extend our deepest sympathies to you. Many of us last saw Glen at our graduation in 1979. As we gather this coming week, for our 45th Class Reunion we will take time to remember him, as well as the others, who have left far too soon.

Rest in peace Glen. You will be remembered.

Sincerely,

The Class of IHS 1979

“ *Glen was a very nice fella and very kind. He was an awesome chef, even though he had lost his eyesight. My love and deepest heartfelt sympathy to the family. He can now see and must have been so overjoyed to see Jesus when he entered heaven. He will most certainly be missed.*
