“ My Aunt May was a lovely woman, who was very tentative with her family .Aunt May, my Mom and I went to a singles dance, witch she danced the night away, it was a great time, I'm so glad we had that time together.

My husband Doran and I would visit with her when possible, I will cherish that time we had together, we'd visit and watch TV with her and watch the birds. I think I got my sweet tooth from her, she always had something to nibble on;)

Aunt May will be missed alot, she's forever in my heart, I miss you dearly, I Love You Aunt May xoxo. Love Always Rose (Thomas) and Doran Jaffas
