“ We should all be as lucky to live such a long, active life. One of my fondest memories of Mrs. Brown involved her asking me to take care of her painted turtle "Speedy"
. Of course it was just a turtle she found by the swamp, but she knew I would enjoy having it. My thoughts are with you all.

“ Aunt Grace was my only aunt who could shoot a buck one day and pick out the perfect little antique cup and saucer for her scraggly little visiting niece the next. I loved to see her when we visited each summer. As we both grew older, she was an inspiration with her swimming lessons, antique stores, and strong independent streak.
