“ Rocky, it's been many years since the last time I saw you two at a Blue Grass Homecoming. I have a lot of great memories playing softball with Helen when you lived there. She was a great "down in the dirt catcher". Although we weren't that great of a team but boy did we have fun. I used to laugh when Helen was asked what she did for a living and she would reply she was a professional butt wiper. Yet she had such compassion for her residents. My deepest condolences to you and the family.
