“ I guess when someone has cancer, it is inevitable that he will one day pass. But Henry never lost his cool. He never lost his spirit. Heck, he never even lost his hair! He looked the same. Maybe that's why this hit me so unexpected. I always expected to see him again, figured somehow he'd come back to Cadillac and work with us again (for like the 100th time!). Always with a joke and a smile, I will miss him dearly. A class act and wonderful colleague.

“ *I met Henry at a party in 1971 When I attended Muskegon community college we would tour around in his Ford Torino around the lake and meet friends. Then he went into the service but we still kept in touch thru the years. He would always stop by my office or house when he was in town...He was truly one of my closest friends We shared many beers and dinners together..So to his family I am deeply saddened by his passing, my sincere condolences to all of you He will always be missed but never forgotten.*
