“ *We met Irving through our friendship with his son Edd. Edd is the such an amazing person: innovative, kind, funny, strong....and when we met his mom and dad- we knew exactly where he got all his amazing qualities. We were always amazed at Irving. He was tough-as-nails physically and his dedication to God and his family are inspiring. We send our deepest condolences.*

“ Irving has had a tough few years physically, his body didn't cooperate well in the end, but today in Heaven is a different story. Irv was a great guy, faithful and I'm glad to know him. My condolences to his wife and family.
