*“ We both will really miss Jan. He was like a 2nd Dad to me after my Dad passed. He was a great mentor for my husband Jeff. I remember the day I was going to take Jeff to meet Jan I told him " He can seem cantankerous, but his bark is worse than his bite. He has a heart of gold." . I said it and meant it. Will miss picking on him like I used to joke with my Dad. To all his family, you are in our thoughts and prayers!!
RIP Jan*

“ Jan was a good man who really loved his life. He truly was his own man. I learned much about auto racing and modern farming from him. Was proud to have him in the Gillis famil!
