“ Jennifer was a joy and blessing to our family. We’re so sorry to hear of her passing. We will miss being in touch with her. I remember when she was just a baby, our parents, Mike & Elaine, babysat her and immediately fell in love with her. Mother told us how “neat” Jennifer was - no spitting baby food or drooling and that when we had kids, they had to be that neat also! Jenny was the perfect baby! She certainly set a high example which our girls did not follow! Jenny, Niki and Pam grew up together and have so many memories. They were the three musketeers. We consider her our own family member: granddaughter, cousin and niece. Jennifer was one of God’s gifts He loaned us for a while. Our hearts ache and our sympathies go out to you. Prayers and love from the Arquilla’s - Linda, Denny, Dick, Niki and Pam. 🙏❤️

“ Gosh girl so many memories I don't know which one is the best to share. You were my ride or die over the summers for many years. Best memories would have to be summer nights cruising around town in Aunt Kristie Anne's car and listening to Bon Jovi. God took another angel home. Thank you for all the memories ❤️💔😭🙏
Love you ALWAYS
