“ *Jesse, my favorite memory of you, cousin, was when you were little and you came for a visit. My husband told you he lived under the house and ate worms. You were so enthralled in the story asking so many questions. You were so sweet and innocent, it still brings a smile to my face.*

Penny, I am so sorry for your loss. I wish I had the right words; just know we love you guys.

we were in diapers together and spent our childhoods playing together outside. I am glad I got to talk with you and say goodbye. You will be missed.
Penny,
I pray you find comfort. I cannot imagine what you're going thru. I love you.*

“ *Our thoughts are with Jesse's family during this difficult time of loss. I went to school with Jesse and I'll always remember his silliness and the way he made everyone laugh.*

Jesse, I'll never forget you and your brothers playing with the neighborhood kids and my own on John St while you were growing up. I'll remember the times I seen you outside the restaurant where you were a dishwasher, wearing your apron and thinking, he's a worker. I'm glad I got to spend some time visiting with you and your Mom this spring. I'm also grateful some of your friends took you on an excursion to Tippy Dam right before you passed. You will be missed.
