“ John was part of the Manistee C&M crew and I got to know him better when they moved the unit to Baldwin. John wasn't exactly happy about the move, but he was not a complainer. I really appreciated his willingness to help in any way he could to make the move a success. He was one of the nicest people I had the pleasure to work with. I wish all of his family peace and my sympathy during this difficult time for you.

“ I recall John as a cheerful, ever-ready guy when meeting him at Harrietta on bumped into him and the C-M associates in the woods. I helped him once on a timber sale on his Boon farm. I'll bet Caberfae will miss him.

“ My sincere sympathy to John's family for their loss. I've known John as a Forest Serviced employee, fellow skier, long time farmer, and as a participant in our USFS retiree breakfasts. He will be missed.
