“ I think that I met John Erwin Tripp [sr] at the Cadillac Branch of the Church of Jesus Christ of Latter Day Saints, on Fast and Testimony Day of February ,1992 . He related to me a story about a hang glider pilot landing on his property previously ... It was instrumental in securing permission to do the Temple Ordinances for that pilot , Harold Herbert Austin from his family ... I think it was the Sr Tripp , former "Branch President" and not the Jr Trip. Elder Jack A Reed of Nibley Utah 7th Ward , previously of the Kalamazoo Ward until August ,2000. ... "Harold and Me another tale of Icarus" , by myself.

“ I am so sorry for the families loss. The Tripps were senior missionaries and became family to me . God placed them in my and my children's life right on time. We stayed in touch for 17 years. :(to say this doesn't break my heart would be a lie. I rejoice in knowing John and Coral are reunited and riding the best Harleys ever made. I will see them again as well. Until then I will Remember the love they showed me and my kids I'm so sorry for just finding out :(In my prayers their kids and grandkids will stay they sure loved yall.
