“ Norm, Marnie let me know of your loss. How sad I am for you. I lost my husband Ed suddenly, 16 years. I am certain you are overwhelmed. Take a day at a time and even though it will seem to take forever, times does heal. My thoughts are with you. She was one of my bestest friends in high school.

“ Jenn, I am so sorry about your mom. It's hard to imagine daily life without such a bright light, and Judy was one of the brightest and best around. Norm, I was so glad to have a chance to catch up with you both at my dad's viewing. It meant so much that you were there. I wish I could be there in person, but my thoughts will be with you and all of the Husteds. I know she will be well looked after as I'd bet anything that my dad was driving the welcome wagon talking old stories from Garfield street all set to be neighbors again.
