“ So very sorry to learn of the passing of Judy. I grew up down the road from the Gullekson's, so many memories are passing through my mind. Judy was 7 years older than me, so with the age difference, graduation, marriage and moving away, I lost touch with her, but my siblings kept me in touch. Yes, Briar Hill skiing was a big part of our younger years during the winter. Being on a float in the Mesick parade, a ski scene for sure, is another memory. Nancy Williams Gustafson

“ Surprised and saddened by news of Judy's passing. My deepest condolences to the family. Judy was my sister Joyce's best friend when we all attended Mesick High. I remember her as a very intelligent young lady who knew where she was going and how to get there.
