“ So sorry to hear of Julia Macek's passing. The Lipars were such a talented, beautiful Slovenian Harrietta family. I feel privileged to have known Julia and the rest of her wonderful brothers and sisters.

“ Oh, Julia, I came to this page to check on another, and find your sweet face and the sad news of your passing. So good you were to phone me the morning of Caroline's passing, I little dreamed your own would follow so shortly. The whole Lipar family was my family, too, I spent so much of my childhood with you all and cherished the goodness shown to me always. You were the last of that generation and we rest now that the circle is again complete.
God;s blessing and comfort to all who loved and will miss you.
