“ I had only met Justin a few weeks ago but in that short time I found that he was unlike anyone I had ever met. He was always so upbeat and full of life. Everywhere we went he met new people and instantly made new friends. He knew how to have fun. There was never a dull moment spent with him. In addition to that he was very smart, caring and respectful. I feel privileged to have had the opportunity to meet and spend time with someone so amazing even if it was short lived. He has surely left a lasting impression on me and I'm sure he did the same for everyone else that came in contact with him. My deepest sympathy goes out to his family. Rest in Peace Justin.
