“ I had the privilege of working with Kathy at Kmart. After that, I was able to see her on days when I dropped my kids off at The Little Red Schoolhouse. My kids had a hard time adjusting to daycare and Kathy's kind heart helped them get through their days. My kids loved "Miss Kathy" and I always felt better knowing I was leaving them in her caring hands. My heart goes out to her family. We have all lost a wonderful woman.

“ I have know Kathy for most of my life. From pre-school to my first communion, my high school graduation and wedding. It wasn't until she began taking care of my daughter when Brooklyn was 6 weeks old, that I saw every day what a beautiful person she was inside and out. She cared for Brook every day for the first year and a half of her life. Kathy taught Brook about the importance of paiting your toenails, making sure your hair was always done, that accessories do matter, and mostly about SHOES.. and to always SMILE... She turned my baby girl into the little " fashionista" she is today... Kathys beautiful life impacted ours so much...we will miss her... We are all so very lucky to have known her.

“ We had the pleasure of working with Kathy at the Little Red School House. Kathy's sons and the children at the daycare were blessed by her warm and friendly nature. Kathy was a beautiful person, she possessed inner strength and courage; she didn't allow her battles with cancer to get the best of her. Our thoughts and prayers are with her sons Kyle and Alex. Kathy will be missed by many.
