“ Kathy (and Keith) will always carry a special place in the hearts of the officers at the Cadillac Police Department for their gracious contributions to our K9 program. Because of their " Spirit of Community" we have been able to touch the lives of so many citizens in a positive way. K9' s North and Bo saved no less then three different peoples lives during their careers. That is an amazing legacy. The thoughts and prayers of everyone at CPD is with Kathy' s family during this difficult time.
