“ I met Kayla through taking care of her dog wrangler. She sure loved him and she was the nicest person. I will miss seeing her.

“ I am so saddened to hear of Kayla' passing. My heart felt sympathy to sisters, Karen and Peggy brother Greg, son Dominic and his family.

So many memories of our families hanging out when we were all younger. It has been great getting reacquainted with Kayla and the recent years. I loved hearing about her line, dancing and taking cruises gambling and of course family stories.

Kayla was such a good person. I know she will be missed by so many.

“ Will really miss Kayla at Thursdays line dance at the senior center. She learned the dances really quickly. I appreciated her letting me know when we missed something in a dance.

She had a sweet personality.we feel so sad about what happened. I still have a hard time wrapping my head around the fact that she has passed.

RIP Kayla
