“ I am going to miss you so much dear friend. Thank you for all the wonderful memories we shared together thru all the years of our friendship. From good times at the Beacon, to our Halloween parties and when I broke my tail bone and had to wait for you to come home from working at Giant way to take me to the emergency room, and many other good times. Thanks for the memories. I love you Daw. Hopefully I will see you again some day and we can reminisce about the good times once again. Love, Shelly (Maw)
