“ I have known Kim for more than 30 years--we had been chatting often in this last year. I will miss her but I'm glad to know she's in her Heavenly home now and we'll see her again. My deepest sympathies to her brothers and their families.

“ Kim was a joy to be around. You never knew what she would say! Julie is and was a true angel to have cared for her every need for so long. There was never a doubt about Kim's spiritual convictions, as she truly loved and praised the Lord. Now healed, safe with the shelter that only heaven can provide.
