“ *It was a sad day when I heard of your passing. I am grateful you are finally at peace. At least now you are reunited with Nancy and I am sure she was anxiously awaiting to see her sister Gloria again. I hope you are all flying high in the heavens and giving a warm welcome to Nancy’s sister Gloria. Gloria passed away yesterday May 19, 2024. Please save a place in heaven for my mom when the time comes. You are greatly missed.*

Leon Peggy has gone home now to be with you all. It's been a very painful year losing both mom and Peggy. I'm working on manifesting heaven to earth as they have prophesied for many many years. This earth was never intended to be like this. I think we are living in the shadow of heaven and it above the firmament. I hope you and Nancy are celebrating with both my mom and dad! Many have gone home to God. I know it's a beautiful place. I am anxiously awaiting peace and heaven on earth. I love you all. I miss you too.
