“ *What can you say about Lil, other then she was awesome. I remember when Sara and I worked together Lil would come in, and would wait till I wasn't busy to wait on her just to drive Sara nuts. Lil and I would always give Sara crap whenever Lil came in. I also remember Lil would ask Beth or Sara if I was working, and if I was she would come in say hi to me, and give me a hug. I am blessed, honored, and priviledged to have gotten to know her over the last several years. Lil may be gone, but she will never be forgotten. She will live on forever in our memories, and hearts.*

“ Dear Family of Lil,
We are so sorry for your loss. Lil was a very special friend to our family. She took such good care of Jordan on the Tri-County Bus. We have remained friends, and will miss her greatly. We are very blessed to have known Lil as a family.
